GISELLE FRESH ON THE FARM

My friend Tone invited me to spend the weekend at his summer home on the farm to celebrate my twentieth birthday. When I got there, he showed me around and we dined and had good laughs. I thought he was really sexy. Can you guess what's next?

I started making out with him and we ended up on the sofa with a cock in my hand, drawing it into my mouth and then into my pussy. It was a great birthday present and I can't wait for my next birthday to cum. But I'm no fool, I know I won't be waiting that long to do this guy again.

I really love adventurous sex. It can be anywhere, anytime, with almost anyone, guys or girls. I've done it at a rest stop, a scenic overlook, by the side of a road, in a car while it was fueling at a gas station, in the glass elevators at the Bonaventure Hotel in LA, in a gondola in Venice, on the Space Mountain ride, in a balcony at a concert, and even in the back of a flower delivery truck.

One time when I was asked to do a threeway, I reluctantly agreed, but when we started doing it, it was a real turn on. I got into flow that made my apprehensions go away. I was also surprised that my boyfriend handled it as well as he did. I was sure to make him the first to cum, but I admit, I got a better orgasm from the other guy. Maybe because he was new meat.

The dugout's on the other side of the small ball park from where I'm sitting. I go on the weekends and take my tunes and watch the babe's at their softball practice. I bring a book along to seem more scholarly and pretend I'm into that and not them. Today, their practice must have ended early because I didn't see anyone, but I did hear some loud giggling coming from the dugout. I got out of my place in the stands and walked over towards the girlie sounds.

wall and saw three girls kissing and taking each others clothes off. I recognize them from the practices because they have their names on the back of their jerseys. One of the girls was sucking on Alicia's boobs but I couldn't make out who it was. Alicia, was rubbing another girls boobs and was bending over to suck on them. I was still unsure of who the other girls were.

practices. Carmel started rubbing her hands on my chest and feeling for my package. I was shocked. Alicia, looked over and saw me kissing on Carmel. Alicia stopped playing with Peaches and had walked over us. Alicia leans over to give me kiss, too and begins to French kiss me. Carmel bends down to undo my pants and out pops my cock and finds me hard as a rock.

I look up and see Peaches standing in the distance to watch. She

is naked and is rubbing her boobs, making her nipples hard. Carmel and Alicia are now sucking on my dick, rubbing and sucking my balls. Alicia, reaches over to Carmel and takes off her top, exposing her nipples. Alicia, begins to suck on her nipples and is rubbing Carmel's pussy through her pants.

Peaches, walks over and begins to undress Alicia. The three girls are undressing each other, then turn to me and take my clothes off. The girls are impressed by my muscles. The girls are rubbing my arms and chest, Alicia has worked her way to my cock. She begins to kiss the head, down to my balls and back to the tip again. Carmel and Peaches have gone to the steps and have begun to finger and lick each others' pussies.

Peaches, is first for the lickings. Her tongue is circling Carmel's nipples,

kissing and nibbling them. Her fingers are rubbing up and down Carmel's chest. Then, Peaches spreads her pussy lips far apart and her tongue is licking her nub. Carmel lets out a loud moan as Peaches licks her harder and faster.

I decide to go over to the girls and get on my knees to lick on Peaches' pussy. Alicia is under me and is licking on my dick. Alicia, takes one ball at a time in her mouth. Her fingers are rubbing the tender spot just below my balls and I'm twitching. Carmel is now ready to cum from Peaches fingering her hole with her fingers. Carmel is cumming and screaming with joy. I've been licking Peaches' pussy and her ass, fingers roaming around both holes.

Alicia has gotten up and switched positions with Carmel. I'm now licking and fingering Alicia. Peaches and Carmel have gone to another spot in the dugout. Peaches has lifted her leg up on a bench and Carmel is licking her pussy. Licking her ass is getting Peaches excited. Then she tells me she needs my cock in her ass. Peaches, gets down and I lay on the bench. Peaches, lowers herself onto

my dick and is pumping her ass up and down. Alicia, has climbed on top of my face and I'm fucking her with my tongue.

Carmel reaches down under the bench and into in her duffle bag to pull out a double-ended dildo. She begins to play with herself, first in her pussy, then after a bit she gets in doggie style and puts the dildo in her ass. She's pushing it in and out of her pussy. Alicia gets up and goes to help Carmel. She pulls the pussy end out and sucks on it for a few seconds and sticks it in her pussy. The two girls are now fucking themselves.

Peaches, has got up and got on all fours and I've entered her ass and am pounding her hard. As Peaches starts to cum, I fuck her even harder. I'm now cumming in her tight ass. Alicia gets up from Carmel and goes over to Peaches and licks her ass. Alicia has my cum in her mouth and goes to Carmel to share. They kiss passionately and swallow their prize. Everyone seems to be satisfied as they sit on the table. I get dressed too and thank everyone involved. Alicia slips me her number if I ever want to do this again. Hell yeah!

I'm here for tickets

It's been a long year without any breaks so Layla gets the idea that we girls should go away on holiday together. She said that she's already rung up the travel agent, booked it all, and I have to go down and pick up the tickets. Thanks Layla, I mean no need to con-

Miss Berson and she arranged it all with me." '

I nod and look at her sitting behind her desk, a thirty something with medium length brunette hair and full red lips, she is one of those women that looks good in a business suit and her uniform enhances her curves perfectly - a dark gray suit

sult me or anything, but I have to admit, I'm kinda excited about a trip and that she has done all the work to get us there.

At the agency I go in and ask the receptionist if they have two tickets reserved for Miss Layla Berson. She points over to the agent in the back part of the shop. I go over to her and she looks up at me, "Of course, my name is Sonya, I spoke to

with a tight pencil skirt, a sheer white blouse unbuttoned enough so I could glimpse her perfect cleavage hinting at substantial breasts. Drifting away for the moment, I wonder if she has ever had the pleasure of another woman sucking her breasts, I feel my nipples harden at the thought.

"It's lunch time for the receptionist so there is no one to mind the counter

One of these sexy vixens pushes a finger in my ass which triggers a thunderous orgasm in me, and as I cum and cum, they keep lapping at my clit and pussy making sure my pleasure is complete.

so I will have to close the shop while we are going over things." I'm aware that I'm still looking at her breasts and I think she might have noticed! "OK" I stumble the word out snapping out of the fantasy and feeling a little embarrassed.

She locks the door and turns the sign to 'Closed'

I watch her return to the back, admiring her legs, is she wearing stockings? Before I start to fantasize again, she opens an office door behind her desk and motions me in. We enter and it is quite small with photos of various locations on the walls. Behind a desk is one is a really sexy black woman. Sonya touches the arm of a chair and finally introduces herself. "My name's Sonya and this

is my colleague Faye." She is quite petit but has amazing breasts pushing out of her blouse.

She leans back in her chair and says that have to be sure we are correct for the resort we booked. 'Correct?' I thought. 'I wonder what Layla was up to. Perhaps it's to get revenge for the messy surprise party I threw for her engagement last month. I snap back to Faye who says "It's a unique location and they are very fussy about their clients.'

I ask if I have to fill out any forms or show identification. Faye tells me not to worry, there's no paperwork to do. Faye gets up and moves behind me and I feel her put her arms around me, her breasts push into my back and kisses my neck. She presses up against me and whispers in my ear 'We're required to see if you cut the muster.' I'm shocked, but enjoying her soft wet lips and tongue nibbling me.

Suddenly, I feel Sonya's lips on mine and her tongue push into my mouth. I close my eyes, not quite believing what's happening. Faye's hands find my breasts through my blouse, which she has started to unbutton and I turn my head so

she can kiss me too. Happily she obliges – with passion. Her hands find my breasts and cup them out of my bra gently pinching my nipples.

Sonya drops to her knees in front of me and pushes my skirt up over my hips. As she pushes my soaking wet panties to the side, Faye pushes my bra up over my boobs. I gasp as Sonya's tongue finds my slick hard clit and Faye sucks on my me. I can't believe this is really happening but I can't get it out. They've filled the space around me.

I close my eyes and try to envision the scene: Two women almost identically dressed and me. My blouse is undone, my skirt pushed up, bra pushed up, panties are now somewhere down by my ankles in a black and white flesh sandwich! The only items of my clothing that are in their proper place are my stockings and shoes. This must look like something out of a porn film!

Perhaps that is what is really happening! The security cameras are filming and sending this to the internet where men and women are playing with themselves and cumming at the sight of me being seduced by these two beautiful wom-

en. The thought makes me shudder and I let out an involuntary moan.

This spurs Faye to join Sonya licking my pussy, and as my breathing gets heavier and my moaning gets louder. One of these sexy vixens pushes a finger in my ass which triggers a thunderous orgasm in me, and as I cum and cum, they keep lapping at my clit and pussy making sure my pleasure is complete.

After ten more minutes, I cum again, and hear Sonya say "She's perfect, I'm sure she'll love the resort. Faye licks her lips and agrees. I try and straighten my clothes and pull up my panties and after I compose myself I ask how they knew that I wouldn't resist. Sonya replies that they got the idea when Layla booked the holiday at the Queen of Hearts in Palm Springs.

'Damn you, Layla.' I thought, and then a big grin came across my face. I look at the two agents French kissing each other. They broke it off for a moment and turned to me and Sonya says that they could keep the shop closed all day, if I like. I didn't even have to think about it.

But I'm not done with you yet, I paw at you until there is no more resistance. Your rattlesnake is hissing at me but I take it in one big swallow. No need to spit. A drive around the island ended in heaven

jamaicin' me very happy

When I was driving through the Jamaican countryside, I chose to go for the scenic route along the sea. It would be more beautiful and I had the time and still some money I needed to travel along that route. A bit tired but motivated to at least get some gas in the car before it went to empty. I looked for a gas station to fuel up, and up ahead was Hattie's. It had a picnic area on the side that served bbq to locals, and some tourists I imagine. There I found Delotta, a petite, stunning dark beauty standing behind the counter and smiling at me with this wicked grin, like a little demon. I did not mind that at all, and I found that she also spoke perfect English.

So I asked for a fill up from the Regular pump and she came out to unlock it. After filling up and going back into pay, I ended up talking to her and staying up there till around 1 or 2 o'clock in the afternoon. We sat at the tables on the side and she would leave every now and then to help other customers. I had to go but not before making sure that she would be there tomorrow to continue this interesting conversation with this little beauty I just found. Have I mentioned that I think there are a hell of a lot beautiful girls in Jamaica?

She was maybe 5 feet 3 and had a bit of a round happy beautiful face with deep brown eyes only to be framed by the most dreads I could imagine.

And oh my god, her boobs, these magnificent creations of fleshy fun where just too perfect for description. They were simply perfectly round and firm, not saggy but definitely quite big with a D cup for her size and body. In her tank top, they just looked mouth-watering tasty. Her stomach was flat and slightly toned, just so perfect. Not too muscular and still no bit of unnecessary fat on it. And her butt was bubbly and perfectly round, like those butts from doggy style porn movies, where you just cannot resist but want to hammer your cock in because it is nearly going to explode only from the beautiful view you are getting.

The next day I show it about four in the afternoon. Delotta suggested we go down to the 300 Club for a couple drinks. I was sitting across from Delotta and Alanah was next to Delotta. Alanah is her best friend and they live together in Lucea. After a few drinks, music came on and I asked Delotta to dance. When on dance floor, she told me that she would like me to have sex with Alanah that is why she suggested coming down to bar. I was a little shocked to hear what she wanted. I told her only if she was going to start it when we got back to her place. She gave me the devilish smile so I knew what an-

swer was. We then went back to the table and ordered another round and Delotta suggested a shot also. She got in real close and we danced that song and another slow song and by this time I knew she could feel my dick rubbing on her stomach. When we got back to the table Delotta could see I had a "problem" and suggested we leave and head home.

At their house, Delotta put in a movie. When she sat down, she was leaning against me. A couple minutes later she had her hand on my cock slowly rubbing it through my shorts. I was looking over at Alanah every so often to see if she could see. About twenty minutes into the movie and Delotta still playing with my cock. She was able to get it out of my shorts and she started to blow me. Alanah saw the movement and when she saw the size of my cock, she stood up, removed her robe and got on her knees and took over for Delotta, who then disappeared for a couple minutes. When she arrived she had on a strap-on dildo and a vibrator and lube. Delotta got be-

hind Alanah and started to play with her clit and then placed the vibrator on her clit that sent her off. I too couldn't take it anymore and started to cum in her mouth and she took it all. When I fished she turned to Delotta and gave her a big kiss swapping my load number one.

The two of them started to play with each other. They were sixty-nining and then Delotta stood up and put Alanah on all fours and started to fuck her from behind. Alanah was moaning up a storm and I was watching as she started to play with her nipples and started to rub her pussy like a mad woman. She then let out a loud moan and went limp and fell onto

her stomach. Delotta did not miss a beat and continued for another couple minutes until Alanah begged her to stop.

Delotta came over to me and asked if I was ok with what happened. I was fine and come to find out later that they planned this whole thing. Delotta started to stroke my cock again and when she started to blow me, I could tell she was enjoying it. Alanah was over on the couch still in a fog when we moved over towards her. I placed Alanah's face in Delotta's crotch and went and started to play with Alanah's clit. I found her slit and placed one finger at a time until I had all four in and she had another orgasm.

I then slowly started to fuck her when Delotta suggested I lay on the floor and have Alanah get on top. Then I see Delotta come over and sit on my face for a couple minutes then she went behind her roomie and stuck a finger in her ass, then added some lube to her butt hole and started to dp her with me. She was in another world when she came. Moments later we all collapsed on the floor.

The next morning I was woken up to Alanah blowing me before she needed to leave. I came to find out later she never had an appointment. I would not see her again during that trip. I stayed around their house and later in the day I was watching some TV when Delotta came in and we started to talk about her and her roomie and

The two of them started to play with each other. They were sixty-nining and then Delotta stood up and put Alanah on all fours and started to fuck her from behind.

Then I put her on all fours, got behind her and inserted a finger into her ass, then a second and third.

what they used to do to each other. They were both bisexual and so they share a lot of things. Delotta told me when Alanah's boyfriend visits from the states, she shares him with her. They have planned for the next time he comes to visit, they would have another threesome.

The rest of the day was a little mundane side. Delotta suggested we go into Montego Bay and she would show me around. After about three hours of walking, talking and drinking, she had me drive down a road that turned into a dirt road, and then to a boat launch. Delotta told me to park off to

ing too crazy. Then around four, Delotta's cell phone rings and it's Alanah calling from Kingston where she spent the night. I heard Delotta say, "Yes, he's still here." and then more giggling. I saw Delotta looking over at me while she was talking and giggling. I got up walked over and spread her legs and stated to eat her out. She was trying to get off the phone with her roomie and I said that if she did I would stop.

So for the next twenty minutes while I was down on her, she was trying not to make it obvious what was going on. Just before she hung up, I just walked away and did not say anything. When she was done she came running into the living room, pushed me down on the couch, jumped on me and pulled my cock out. She got it hard in an instant and rode me cowgirl as I rubbed her gorgeous boobs.

Then I put her on all fours, got behind her and inserted a finger into her ass, then a second and third. I pulled them out and put my cock up against her brown rosebud and she quietly protested by telling me to go slow saying how big I was. I insert only the tip in her ass and let her slide forward and back on it herself. Slowly at first and then faster until she had an explosive orgasm. Now my turn and I was fucking her ass like I would never get another chance. I came in her butt and fell back on the couch. Then, promptly at seven Alanah shows up and we do it all again.

the side and she leaned over and kissed me and then started to play with my cock. She then went down and started to blow me. She was in a good rhythm when a truck pulled in nearby and stopped by the boat launch. Fortunately I had parked so my vehicle could not be seen. The couple in the truck got out and went over to the picnic table and started to make out and the female started to give a blow job. I told Delotta what was going on and she stopped and lifted her head to see what was going on. We both chuckled and Delotta went back to doing what she apparently loves to do. I watched the couple and what was going on there. It was getting me even more excited. It was like a blow job and a porno could not get any better. This went on for about twenty minutes when I blow my load in Delotta's mouth. What a champ. She did not let any spill out.

I spent the next night, too and the next day was just another day of grab ass between the two of us. A long, slow bj here, a quick fuck there. Noth-

I'M ALWAYS READY TO TRY A NEW GUY

My parents lived on a commune in Oregon and they were very free spirits. They told me I ran around nude almost all the time as a kid. Well, I still like being naked now. And I need to have a hard, naked man's hard cock deep inside of me – like Pauly's.
